

A New Milestone For A Great Journey

IG Logistics Group is appointed the exclusive Shipping & Logistics provider at Bintan Industrial Estate (BIE) for a period of 5 years with an option of another 5 years, with effect from 18 May 2015.

Our new Landing Craft Transporter (LCT) - IG SunTzu is Singapore-flagged and under Bureau Veritas (BV) classification; the feeder shipping service will serve the Singapore-Bintan route. All shipping equipment, prime movers and trailers are owned by IG Logistics Group. The modus operandi is Ro/Ro services via Jurong Port to and fro Bintan daily, and we will serve Bintan Industrial Estate on Freight of All Kinds (FAK).

With IG Logistics Group's extensive air, land and sea network, we are able to handle customers' cargo in and out of Bintan Island and transshipment via Singapore sea-port and airport to various countries using Main Line Operators (MLO) and aircraft cargo carriers.

Our second LCT, to be named, IG SunWu will be ready in Q4 2015. Its addition to the fleet will help serve the project and extend our shipping services in the region.

IG Logistics Group would like to thank all our clients for their support towards our success in our Logistics Journey!

On Behalf on all Management and staff of IG Logistics Group,

Dato' Peter Tan (DIMP)

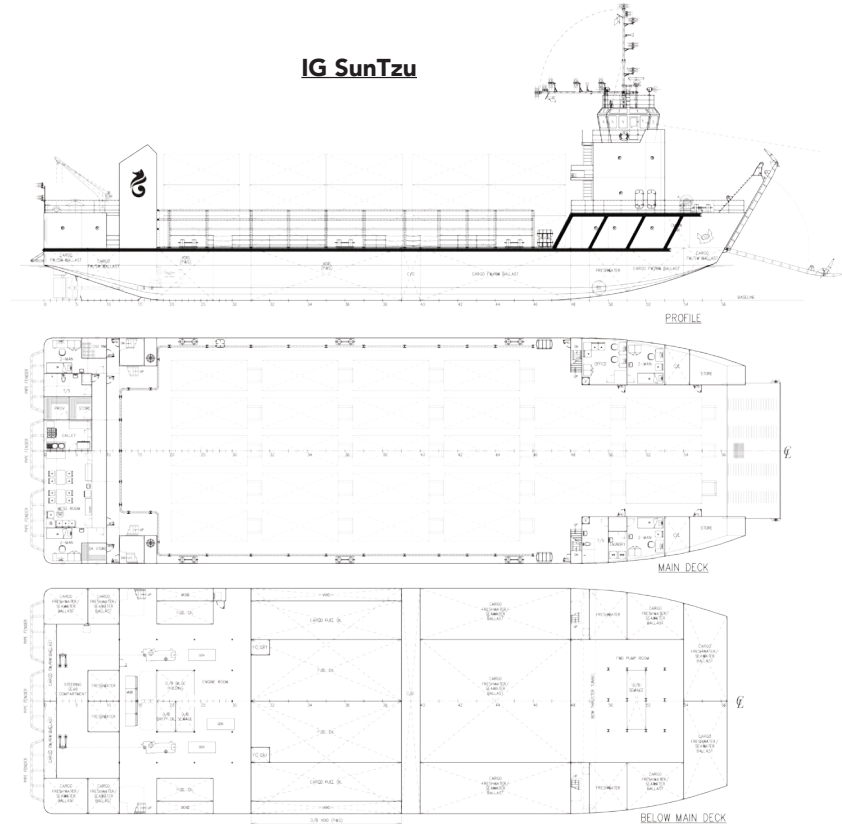

Group Executive Chairman

Kenneth Tan
